

UPDATED Metro Transit Service Hours

Current service hours

Proposed cuts

How did Metro go from **550,000** hours in cuts to **400,000** in cuts?

1 Actions Metro took to cut costs

- Reducing claims and workers' comp costs
- Scheduling efficiencies to reduce bus fleet needs
- Trimmed the workforce
- Reduced rider demand for Access service
- General countywide efficiencies
- Other Metro operational and administrative efficiencies

2 Improved outlook on key costs

- Lower forecasted diesel fuel costs
